FAQ

How much does the Brain Booster deck cost?

\$60 plus taxes, shipping and handling. Once you complete the online form, our team will determine shipping costs specific to your location. This cost will be included in the electronic invoice.

How many cards are in the set?

74 cards per set.

What size are the cards?

4"x6", the size of a postcard.

Who are the cards for?

The user-friendly cards are meant to be used interactively between professionals/caregivers and youth. Please consider the developmental age of the youth in question. Depending on the setting, the cards can be used in multiple different ways.

Who can I contact for further questions?

communications@pathwaystoprevention.ca.
